Building Navigation:

This section is dedicated to getting you from your current position in the building to your desired destination.

Current place - Please type the room/area that you are currently in

Destination - Please type the room / facilities you wish to end at

Preferred way - Please press the switch to highlight whether you wish you take the stairs or the lift. If you have chosen 'Stairs' the switch will be on the left like in the example on the left.

Are you - Please press the switch to highlight whether you are a student or staff. If you have chosen 'Student' the switch will be on the left like in the example on the left.

Search - Pressing this button will create a route to follow on the map below.

Clear - This will clear the route and all information that you have entered.

The screenshot shows a mobile application interface titled "Room Search". At the top, there is a search bar with the placeholder text "Search by room number, name or occupant". Below the search bar are two buttons: "SEARCH" on the left and "RESET" on the right. The main area displays a list of rooms:

G.003	Event Space
G.006	Cyber Physical Lab
G.007	Shared Labs Workspace
G.009	Cyber Physical Lab
G.010	Decision Theatre
G.019	Shared Working Area
G.039	Accessible WC
G.041	Male WC's

At the bottom of the screen are three navigation icons: a triangle pointing left, a circle, and a square.

Room Search:

Here you can enter a room number, name or occupant of a room in the text box given.

Reset - this button will clear the search you just typed.

Search - this will change the list of available rooms in the building to show any which match your search.

When you press on any of the rooms in the list, or the room you search for, the screen on the right appears.

Room information available:

- Room number
- Room name
- Floor
- Occupants (if any)

Take me there! - Pressing this button will take you to the navigation screen. It will take you from your current position to the room you just searched.

The screenshot shows a mobile application interface titled "Event Space". The top half of the screen displays a photograph of a modern conference room. The room has light-colored walls with a geometric pattern of rectangular panels, dark curtains, and a long table with black chairs. The bottom half of the screen shows detailed room information:

Room number:	G.003
Room name:	Event Space
Floor:	0
Occupants:	N/A

At the bottom of the screen is a large button labeled "TAKE ME THERE!".

Check Maps

Click on the arrows below to look-up floors!

A detailed floor plan of a building's layout. The plan shows several rooms labeled G.003, G.009, G.010, and G.019. It also features an 'Atrium' and a 'Cafe'. A 'Reception' desk is located near the entrance. A legend on the right side identifies symbols for 'Room' (light orange), 'Restricted Area' (dark brown), 'Toilet' (white square with a black outline), 'Stairs' (purple staircase icon), and 'Elevator' (blue elevator icon). Below the legend are two large circular control buttons: one with a black upward-pointing arrow and another with a black downward-pointing arrow. At the bottom of the screen are standard Android navigation icons: a triangle pointing left, a circle, and a square.

Check Maps:

Just want to double check where a room is?
Want to see everything the USB has to offer?

Here you can see the map of every floor.

Click the up arrows to move up through floors,
and the down arrows to move back down the
floors of the USB.

Grids indicate restricted areas (*you may be guided through these to staff offices amongst other things - requires an access card*).

Toilets, Lifts, Receptions, Cafe, and all other facilities are also shown on the maps.

Location:

Using Google Maps, this page shows exactly where the USB is within both Newcastle City Centre and Newcastle University Campus.

Zoom in and out with a pinch, and swipe along the map to see how close we are to the nearest Metro, home, accommodation etc.
